Dear Brethren,

We are looking forward to receiving you as our guests for the 81<sup>st</sup> General Synod of the Bible Presbyterian Church as it meets here in Edmonton August 3-7, 2017.

We plan to use the atrium at King's University College for our main meeting facility, where we have met for the previous Edmonton synods.

## **An International Synod**

You are required to have a valid passport to enter Canada from the United States, so this is a good time to ensure that your passport is up to date.

## **Cell Phone Service**

Remember to check with your cell phone provider regarding your service in Canada. Many American providers now offer good plans including Canada. It can be very expensive to place phone calls if you don't have a plan. If you have a smartphone be sure to see whether the data plan includes Canada. There is Wifi available at King's University.
